

VYCC Media Opt Out Release

We are asking for your story/media making consent.

It is common for local media to visit crews to write a story on the great work being done. VYCC staff often celebrates your accomplishments by writing about, taking photos, and shooting videos of crews at their projects. After the season, we also often invite Corps Members to tell their stories about their experience in a variety of ways.

By participating on a VYCC crew we assume you or your guardian (if under 18) give your consent for your likeness to be used in these ways.

If you DO NOT want to have your likeness used, that is totally your right. Please fill out this form so we can ensure your Crew Leaders and VYCC staff do NOT take photos or video of you this season. *We ask that you also be mindful of NOT posing for photos or videos with your crew so that we don't accidentally include you.*
