Vermont Youth Conservation Corps | 1949 East Main St. Richmond, VT 05477 | 802-434-3969 | Info@VYCC.org | VYCC.org

VYCC Conservation AmeriCorps Peer Crew Leader

Position Summary

VYCC is seeking Peer Leaders who are ready to be world changers. Unlike traditional Crew Leaders, Peer Leaders do not lead a crew of Members; all contribute equally whether on the job site and in camp. Being on a Peer Crew is a unique, community-minded experience that allows for personal and professional growth. VYCC is challenging by design. There will be mud, bugs, sore feet, and tired hands. But there will also be sunny days, campfires, personal connection, and an ability to enact positive change. If you are excited to dig in, get dirty, and help make communities and individuals stronger and more resilient, this service opportunity is for you.

Program Overview

VYCC's Conservation Program engages young people in hands-on projects that benefit Vermont's environment and communities. The work of a Conservation Crew includes trail construction and maintenance, carpentry, water quality improvement, and forest management. Conservation Camping Crews tackle projects all across Vermont, moving from one project to another as they serve and live together as a group for weeks at a time. Conservation Day Crews are rooted in a community – either Richmond or Woodstock for 2021 – and work but do not live together as a group. Conservation Crew Leaders are essential to the success of any Conservation Crew and their efforts have a significant impact on habitat, water quality, and outdoor recreation in Vermont.
