

CONSERVATION AMERICORPS CREW MEMBER

Position Summary

VYCC is seeking Crew Members to serve on Conservation Crews and make a difference in communities throughout Vermont. A successful Crew Member is excited to be part of a supportive and inclusive crew community, navigate and learn from challenges, and strive towards personal and professional growth. AmeriCorps Crew Members are essential to the success of VYCC's conservation projects. If you are excited to work on and learn from a conservation camping experience, while making communities and individuals more resilient, this service opportunity is for you!

Being on a Conservation Camping Crews is an immersive experience. Corps Members work together during the day and camp, eat, and hang out while at camp. All Crews work Monday through Friday, but weekend camping varies depending on the crew type.

Program Overview

VYCC's Conservation Program engages young people in hands-on projects that benefit Vermont's environment and communities. The work of a Conservation Crew includes trail construction and maintenance, carpentry, water quality improvement, and forest management. Conservation Camping Crews and Pro Crews tackle projects all across Vermont, moving from one project to another as they work and live together as a group for weeks at a time. Conservation Day Crews are rooted in a community – either Richmond or Woodstock for 2022 – and work but do not live together as a group. Conservation Crew Leaders are essential to the success of any Conservation Crew and their efforts have a significant impact on habitat, water quality, and outdoor recreation in Vermont. These projects are made possible through VYCC's partnership with AmeriCorps (A*C) and SerVermont.
