

## VYCC Conservation Program AmeriCorps Camping Crew Member

---

### Program Overview

VYCC's Conservation Program engages young people in hands-on projects that benefit Vermont's environment and communities. The work of a Conservation Crew includes trail construction and maintenance, carpentry, water quality improvement, and forest management. Conservation Crew Members are essential to the success of any Conservation Crew and their efforts have a significant impact on habitat, water quality, and outdoor recreation in Vermont.

These projects are made possible through VYCC's partnership with AmeriCorps.

### Position Summary

VYCC is seeking Crew Members to serve on Conservation Crews and make a difference in communities throughout Vermont. A successful Crew Member is excited to be part of a supportive and inclusive crew community, navigate and learn from challenges, and strive towards personal and professional growth. AmeriCorps Crew Members are essential to the success of VYCC's conservation projects. If you are excited to work and learn on a camping crew while making communities and individuals more resilient, this service opportunity is for you!

Being on a Conservation Camping Crew is an immersive experience. Corps Members complete projects during the day and then camp together at night completing chores and other logistics. All Crews work and camp together Monday through Friday and have weekends off.
